

Vehicle Gripper Wrap Magnets

These vehicle gripper magnets are a must have for fitting vinyl wraps. Make the task easy by temporarily holding surplus area of film in place, and free up your hands while you work on the area being wrapped. The magnet features a removable handle which allows the graphic to be fully folded back, and a rounded handle top which prevents indentations to the vinyl when lightly folded over. Supplied in packs of 2 and in a pack of 10.
